THE AMERICAN PERFORMANCE HORSEMAN

THE BEST JUST GOT BIGGER

The American Performance Horseman returns in 2025—and this year, we're turning up the intensity.

For the first time, 24 of the industry's top professionals will compete in Reining, Reined Cow Horse, and Cutting, raising the bar on what it means to be the best in western performance horse sports. We've expanded the roster from 5 to 8 riders to bring even more horsepower and talent to the arena.

This stand-alone event moves to **Dickies Arena** in Fort Worth, Texas, where the competition will unfold in front of a crowd of western performance enthusiasts and newcomers alike. At stake: a **\$1,000,000 prize pool**, one of the richest in western equine sports.

Competitors will ride individually for discipline titles and in teams, pairing one cutting horse rider, one reined cow horse rider, and one reining horse rider per team. This format highlights the unique skills of each discipline while crowning the most well-rounded teams in the industry.

At the end of the night, **Brothers Osborne** will take the stage, bringing their award-winning sound to cap off an unforgettable event. **Be there when history is made.**
